

Agreement of Reassignment Responsibility Acquittal Risk and Indemnity Assumption

I hereby recognize that all activities organized by **TANAMA TUBING** are risk and involve risk of serious injuries and/or death, and or damages to property and goods. I also recognize and understand that the routes to follow are remote and some places are inhospitable. If you are prone to cramps, asthma, circulation problems or claustrophobia, please notify the guides before you leave, remember that Tanama is wild in its fullness and not for all kinds of people.

I hereby acquit, resign, exonerate and promise not to legally sue **TANAMA CAVE TUBING** and/or indirect employee, agents, third parties, collaborators and/or participant of all responsibility towards me, my personal representatives, heirs and family members, for any or all loss or injury and any claim or demand proceeding from or related with any injury to my person or property, or that it may result in death, now and forever, resulting from or related with my participation even when it may be caused by negligence from any of the parties involved. I hereby assume all responsibility of my risks of injuries to my body, death or harm to my property. This includes negligent rescue operations and that if any of these parts are declared invalid it is agreed, however, that the rest be maintained completely legal.

I _____, certify that I have read this agreement of reassignment and responsibility acquittal and comprehend its terms and conditions completely. I understand that I have abandoned considerable rights by signing it; I am conscious of its legal consequences and have signed this document voluntarily without having been offered any incentives or guarantees. I also certify that I have been oriented and informed of the potential and extreme dangers of **TANAMA CAVE TUBING**. I have decided to participate even though of the above mentioned risk.
